#### **Board of Directors' Responsibilities and Approval**

The directors are required by the Companies Act of South Africa, to maintain adequate accounting records and are responsible for the content and integrity of the audited annual financial statements and related financial information included in this report. It is their responsibility to ensure that the audited annual financial statements fairly present the state of affairs of the company as at the end of the financial year and the results of its operations and cash flows for the period then ended, in conformity with the International Financial Reporting Standard for Small and Medium-sized Entities. The external auditors are engaged to express an independent opinion on the audited annual financial statements.

The audited annual financial statements are prepared in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and are based upon appropriate accounting policies consistently applied and supported by reasonable and prudent judgements and estimates.

The directors acknowledge that they are ultimately responsible for the system of internal financial control established by the company and place considerable importance on maintaining a strong control environment. To enable the directors to meet these responsibilities, the directors set standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the company and all employees are required to maintain the highest ethical standards in ensuring the company's business is conducted in a manner that in all reasonable circumstances is above reproach. The focus of risk management in the company is on identifying, assessing, managing and monitoring all known forms of risk across the company. While operating risk cannot be fully eliminated, the company endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The directors are of the opinion, based on the information and explanations given by management, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the audited annual financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss.

The directors have reviewed the company's cash flow forecast for the year to 30 June 2025 and, in the light of this review and the current financial position, they are satisfied that the company has or has access to adequate resources to continue in operational existence for the foreseeable future.

The external auditors are responsible for independently auditing and reporting on the company's audited annual financial statements. The audited annual financial statements have been examined by the company's external auditors and their report is presented on pages 6 to 8.

The audited annual financial statements set out on pages 9 to 15, which have been prepared on the going concern basis, were approved by the board of directors on 30 August 2024 and were signed on their behalf by:

quell.

#### **Board of Directors' Report**

The directors have pleasure in submitting their report on the audited annual financial statements of Lower Kenilworth Improvement District NPC for the year ended 30 June 2024.

#### 1. Incorporation

The company was incorporated on 04 August 2020 and obtained its certificate to commence business on the same day.

#### 2. Nature of business

Lower Kenilworth Improvement District NPC was incorporated in South Africa with interests in the non-profit industry, providing community-based private urban management within the public areas of the SRA. The company operates in South Africa.

There have been no material changes to the nature of the company's business from the prior year.

## 3. Review of financial results and activities

The audited annual financial statements have been prepared in accordance with International Financial Reporting Standard for Small and Medium-sized Entities and the requirements of the Companies Act of South Africa. The accounting policies have been applied consistently compared to the prior year.

Full details of the financial position, results of operations and cash flows of the company are set out in these audited annual financial statements.

## 4. Going concern

The directors believe that the company has adequate financial resources to continue in operation for the foreseeable future and accordingly the audited annual financial statements have been prepared on a going concern basis. The directors have satisfied themselves that the company is in a sound financial position and that it has access to sufficient borrowing facilities to meet its foreseeable cash requirements. The directors are not aware of any new material changes that may adversely impact the company. The directors are also not aware of any material non-compliance with statutory or regulatory requirements or of any pending changes to legislation which may affect the company.

## 5. Events after the reporting period

The directors are not aware of any material event which occurred after the reporting date and up to the date of this report.

### **Board of Directors' Report**

#### 6. Board of directors

The directors in office at the date of this report are as follows:

<b>Board of directors</b>	Nationality	Changes
AJ Young	South African	Appointed: 03 April 2024
AP Nelson	South African	
ML Willis	South African	
NR Veitch	South African	Resigned: 07 September 2023
PC Linnegar	South African	
RD Moore	South African	

AJ Young has been appointed as a director, but this has not yet been reflected by CIPC.

## 7. Secretary

The company secretary is Charles Abbott.

## 8. Auditors

Sentio Audit Incorporated continued in office as auditors for the company for 2024.

## 9. Liquidity and solvency

The directors have performed the required liquidity and solvency tests required by the Companies Act of South Africa.

## **Independent Auditor's Report**

## To the board of directors of Lower Kenilworth Improvement District NPC

## Opinion

We have audited the audited annual financial statements of Lower Kenilworth Improvement District NPC (the company) set out on pages 9 to 15, which comprise the statement of financial position as at 30 June 2024, statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and the notes to the audited annual financial statements, including a summary of significant accounting policies.

In our opinion, the audited annual financial statements present fairly, in all material respects, the financial position of Lower Kenilworth Improvement District NPC as at 30 June 2024, and its financial performance and cash flows for the year then ended in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and the requirements of the Companies Act of South Africa.

## **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Audited Annual Financial Statements section of our report. We are independent of the company in accordance with the Independent Regulatory Board for Auditors' Code of Professional Conduct for Registered Auditors (IRBA Code) and other independence requirements applicable to performing audits of audited annual financial statements in South Africa. We have fulfilled our other ethical responsibilities in accordance with the IRBA Code and in accordance with other ethical requirements applicable to performing audits in South Africa. The IRBA Code is consistent with the corresponding sections of the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards). We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Other Matter**

We draw attention to the fact that supplementary information set out on page 16 does not form part of the audited annual financial statements and is presented as additional information. We have not audited this information and accordingly do not express an opinion thereon.

# **Responsibilities of the Board of Directors for the Audited Annual Financial Statements**

The directors are responsible for the preparation and fair presentation of the audited annual financial statements in accordance with the International Financial Reporting Standard for Small and Mediumsized Entities and the requirements of the Companies Act of South Africa, and for such internal control as the directors determine is necessary to enable the preparation of audited annual financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the audited annual financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

# Auditor's Responsibilities for the Audit of the Audited Annual Financial Statements

Our objectives are to obtain reasonable assurance about whether the audited annual financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these audited annual financial statements.

As part of an audit in accordance with International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the audited annual financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the audited annual financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the audited annual financial statements, including the disclosures, and whether the audited annual financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

# **Independent Auditor's Report**

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

### **Accounting Policies**

#### 1. Basis of preparation and summary of significant accounting policies

The audited annual financial statements have been prepared on a going concern basis in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities, and the Companies Act of South Africa. The audited annual financial statements have been prepared on the historical cost basis and incorporate the principal accounting policies set out below. They are presented in South African Rands.

These accounting policies are consistent with the previous period.

#### **1.1 Financial instruments**

#### Initial measurement

Financial instruments are initially measured at the transaction price (including transaction costs except in the initial measurement of financial assets and liabilities that are measured at fair value through surplus or deficit) unless the arrangement constitutes, in effect, a financing transaction in which case it is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

#### **Financial instruments at cost**

Equity instruments that are not publicly traded and whose fair value cannot otherwise be measured reliably without undue cost or effort are measured at cost less impairment.

#### 1.2 Tax

#### Current tax assets and liabilities

Current tax for current and prior periods is, to the extent unpaid, recognised as a liability. If the amount already paid in respect of current and prior periods exceeds the amount due for those periods, the excess is recognised as an asset.

Current tax liabilities / (assets) for the current and prior periods are measured at the amount expected to be paid to / (recovered from) the tax authorities, using the tax rates (and tax laws) that have been enacted or substantively enacted by the reporting date.

The tax liability reflects the effect of the possible outcomes of a review by the tax authorities.

#### Tax expenses

Tax expense is recognised in the same component of total comprehensive income or equity as the transaction or other event that resulted in the tax expense.

#### **1.3 Government grants**

Grants that do not impose specified future performance conditions are recognised in income when the grant proceeds are receivable.

#### **Accounting Policies**

#### 1.4 Revenue

Revenue is recognised to the extent that the company has transferred the significant risks and rewards of ownership of goods to the buyer, or has rendered services under an agreement provided the amount of revenue can be measured reliably and it is probable that economic benefits associated with the transaction will flow to the company. Revenue is measured at the fair value of the consideration received or receivable, excluding sales taxes and discounts.

Interest is recognised, in surplus or deficit, using the effective interest rate method.

#### 1.5 Borrowing costs

Borrowing costs are recognised as an expense in the period in which they are incurred.
