NOTICE AND INVITATION TO THE SAND RIVER CATCHMENT PUBLIC OPEN DAY

Notice is hereby given for all interested and affected stakeholders who would like to play a more collaborative role with the City of Cape Town, to attend the Sand River Public Open Day, to be held as follows:

Date: *Monday, 11 October 2021*

Time: *10h00 to 19h00*

Venue: *Alphen Community Centre Hall, Constantia Main Road*

The purpose of the Sand River Catchment Public Open Day is for respective City Departments involved with pollution control management, to display and update stakeholders of the efforts undertaken in the Sand River Catchment.

Posters of the various line officials will be on display, and interested stakeholders will have be presented with the opportunity to engage with City line officials. An added bonus is the opportunity for attendees to view the Source to Sea video.

Note that the Covid pandemic meeting conditions are still very much applicable.

I look forward to meeting you on 11 October 2021.

Yours faithfully

Abdulla Parker

Head: Catchment Planning: Region South
